

**TERMINAL DISCLAIMER TO OBVIATE A PROVISIONAL DOUBLE PATENTING
REJECTION OVER FOUR PENDING "REFERENCE" APPLICATIONS**

Docket Number (Optional): SU-7073-L

In re Application of: **Robert M. Moore, Jr. et al.**

Application No.: 09/785,890

Filed: February 16, 2001

For: **Continuous Processes For Preparing Concentrated Aqueous Liquid Biocidal Compositions**

The owner*, **ALBEMARLE CORPORATION**, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term of any patent granted on first pending reference Application Number 10/282,290, filed on October 28, 2002, as such term is defined in 35 U.S.C. 154 and 173, and as the term of any patent granted on said first reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the first pending reference application. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the first reference application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns. In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any patent granted on said first reference application, "as the term of any patent granted on said first reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the first pending reference application," in the event that: any such patent: granted on the first pending reference application: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

The owner*, **ALBEMARLE CORPORATION**, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term of any patent granted on second pending reference Application Number 10/703,311, filed on November 7, 2003, as such term is defined in 35 U.S.C. 154 and 173, and as the term of any patent granted on said second reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the second pending reference application. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the second reference application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns. In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any patent granted on said second reference application, "as the term of any patent granted on said second reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the second pending reference application," in the event that: any such patent: granted on the second pending reference application: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

The owner*, **ALBEMARLE CORPORATION**, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term of any patent granted on third pending reference Application Number 10/327,563, filed on December 20, 2002, as such term is defined in 35 U.S.C. 154 and 173, and as the term of any patent granted on said third reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the third pending reference application. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the third reference application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns. In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any patent granted on said third reference application, "as the term of any patent granted on said third reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the third pending reference application," in the event that: any such patent: granted on the third pending reference application: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner

terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

The owner*, **ALBEMARLE CORPORATION**, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term of any patent granted on fourth pending reference Application Number 10/492,073, filed on April 8, 2004, as such term is defined in 35 U.S.C. 154 and 173, and as the term of any patent granted on said fourth reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the fourth pending reference application. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the fourth reference application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns. In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any patent granted on said fourth reference application, "as the term of any patent granted on said fourth reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the fourth pending reference application," in the event that: any such patent: granted on the fourth pending reference application: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.
